Resolution of Reconciliation and Unity

Whereas, there has been offense, disunity and divisiveness between the people of the Western Slope, the Eastern Plains, Southern Colorado, the Mountains, Southwest Colorado, Northwest Colorado and the Front Range;

Whereas, each area of Colorado has felt marginalized by another region in the State.

Now, therefore, let it be resolved that the people of every region of Colorado now purpose to be fully reconciled and united as ONE restoring wholeness to the state of Colorado in both the spiritual and natural realms.

We declare that the people of Colorado are ONE family each being vital and inseparable from the identity and destiny of the State of Colorado.

We declare that spiritual unity, godly cooperation and the love of Jesus now pervade all of Colorado.

We declare that people across Colorado now awaken to the need to accurately represent and care for every region of this State.
